

Program Detail

Monday June 10	7:00-8:00	Registration/Information
	8:00-8:15	Welcome Minister of Health
	8:15-8:35	Keynote address: Emergency Medicine a Unique Specialty Peter Rosen MD
	8:35-8:40	Program Introduction Organizing Committee, Iceland 2002
	8:40-9:40	Circulation: Chest pain, dysrhythmias and shock David Brown MD William K. Mallon MD Marc Gorelick MD
	9:40-10:00	Break: Abstract authors stand with posters #1-10, 49 for questions Topics: Common Emergencies, Ultrasound, ED systems: Efficiency/Productivity
	10:00- 11:45	Concurrent Scientific Session Abstract oral presentations #1-7, Auditorium 5 (downstairs) Topics: Common Emergencies, Ultrasound, Pediatric EM, Injury Prevention
	10:00-10:50	Circulation Continued. Chest pain, dysrhythmias and shock David Brown MD William K. Mallon MD Marc Gorelick MD
	10:50-11:50	Airway and Breathing: shortness of breath, wheezing, stridor Robert McNamara MD William K. Mallon MD Marc Gorelick MD
	11:50-12:20	Neurologic disability: Stroke William Barsan MD
	12:30-13:50	Sponsored Lunch at Radisson SAS Saga Hotel: Neurologic disability: spinal cord and brain injury, pediatric seizures Andy Jagoda MD Robert Rosenthal MD Francesco Della Corte MD Marc Gorelick MD
	14:00-14:45	ABCDs of Toxicology: Bad things can happen if you leave toxins out of the differential diagnosis Lewis Goldfrank MD
	14:45-15:30	“Bread and Butter” ED cases I: bizarre to the mundane Jim Roberts MD
	15:30-15:50	Break: Abstract authors stand with posters #11-20 for questions Topics: International Systems of Emergency Medicine and Injury Prevention
	15:50-16:30	Remote access medicine: Telemedicine in Scotland, France and Alaska James Fergusson MD Fabrice Brunet MD Mike Holloway MD

16:30-18:00 **Controversy, innovations and potpourri from the literature**
Jerome Hoffman MD

18:30 **Helicopter rescue demonstration/reception**

Tuesday June 11

7:00-12:00 Registration/Information

8:00-8:40 **ABCDs of Trauma**
William Mallon MD

8:40-9:20 **The difficult airway**
Ron Walls MD
Andreas Thierbach MD

9:20-10:00 **Ultrasound of ABCDs emergencies**
Mike Lambert MD
Joe Wood MD

10:00-10:20 **Break:** Abstract authors stand with posters #21-30 for questions
Topic: Cardiovascular Emergencies

10:20- 11:50 **Concurrent Scientific Session**
Abstract oral presentations #8-13, Auditorium 5 (downstairs)
Topics: Cardiovascular, Neurologic Emergencies and ED Systems: Efficiency/Productivity

10:20-11:00 **Domestic/Child abuse and rape: Breaking the cycle**
Yolanda Haywood MD
Guðrún Agnarsdóttir MD

11:00-11:40 **Care-giver wellness: Strategies to manage and prevent professional stress**
Robert McNamara MD

11:40-12:30 **Hot stuff: Common pediatric infections**
Marc Gorelick MD

12:40-14:20 **Sponsored Lunch: More "Bread and Butter" ED cases**
Jim Roberts MD

University of Iceland Campus: Árnagarður (A) and Oddi (O) Buildings

Concurrent Skills Stations (3 hours, assessed fees) and Workshops in Two Tracks (A & B)

Skills Stations	Location
14:45-18:00 Hand (cadaveric) procedures Dana Stearns MD Jóhann Róbertsson MD Mike Holloway MD	A304
The difficult airway Ron Walls MD Andreas Thierbach MD	A201
Ultrasound of ABCD emergencies Mike Lambert MD Joe Wood MD J. Christian Fox MD Michael Phelan MD Einar Hjaltason MD	A301

Workshops in 2 tracks (A or B), each 90 minutes (no fees assessed)**Track A**

14:45-16:15

Difficult EKGs

David Brown MD
 Frederico Olliveri MD
 Davíð O. Arnar MD

Brain Injury: Practice guidelines

Andy Jagoda MD

Toxicology: antidotes and hyperbaric oxygen

Lewis Goldfrank MD
 Robert Rosenthal MD

Emergency medicine and toxicology: Internet and computer resources

Philip Anderson MD
 Steve Epstein MD
 Larry Nathanson MD

Non-invasive ventilation and physiologic monitoring

Roberta Petrino MD
 Fabrice Brunet MD
 Óskar Einarsson MD

Pain Management

Knox Todd MD

Critical Care Nursing: Acute Coronary Syndromes I

Patricia Morton RN, PhD

Track B

16:15-18:00

Critical Care Nursing: Acute Coronary Syndromes II

Patricia Morton RN, PhD

Neuroimaging in Head Trauma

Daniel Broderick MD

Bio- and Chemical Terrorism

Rich Wolfe MD
 Greg Ciottone MD
 Jon Epstein MD

Reading the literature

Jerome Hoffman MD

Domestic/child abuse and rape

Yolanda Haywood MD
 Guðrún Agnarsdóttir MD
 Gerry Cox MD

Country program presentations

Coordinators: Jeff Smith MD
 Roberta Petrino MD
 Jim Holliman MD

Wednesday June 12	7:00-6:00	Registration/Information
	8:00-9:15	Does McDonalds do it better? ED design, efficiency and productivity Robert Shesser MD William Mallon MD Michael Rapp MD Andy Jagoda MD
	9:15-10:00	Improving ED effectiveness: Observation units and decision-making rules William Barsan MD Alastair McGowan MD
	10:00-10:20	Break: Abstract authors stand with posters #31-39 for questions Topic: Airway/Respiratory, Neurologic Emergencies and Toxicology
	10:20- 12:10	Concurrent Scientific Session Abstract oral presentations #14-20, Auditorium 5 (downstairs) Topics: Airway/Respiratory Emergencies and Trauma
	10:20-11:00	Raising up the specialty: EM education and competency Alastair McGowan MD William Barsan MD
	11:00-11:40	Injury prevention Louis Hugo Francescutti MD
	11:40-12:20	International Road Safety David Sleet PhD
	12:30-13:45	Sponsored Lunch: Emergency Medicine in the US Peter Rosen MD
	14:00-14:50	International EM with focus on Europe Jeff Smith MD Jim Holliman MD
	14:50-15:10	Break: Abstract authors stand with posters #40-48 for questions Topics: Remote Access Medicine, Pediatric Emergencies, Emergency Medicine Education and Competancy and Domestic/child abuse/rape
	15:10-16:00	EM in the Nordic/Baltic region with focus on Iceland Hans Morten Lossius MD Jón Baldursson MD
	16:00-17:30	International EM Case Study: Priorities for Iceland <i>Moderators:</i> Jeff Smith MD and Mary E. Palmer MD <i>Panelists from US:</i> Lewis Goldfrank MD, Robert McNamara MD, Jerome Hoffman MD, Rich Wolfe MD <i>Panelists from Europe:</i> Fabrice Brunet MD, Francesco Della Corte MD, Juliusz Jakubaszko MD, Alastair McGowan MD, Andreas Thierbach MD, Hans Morten Lossius MD
	17:30 -	Exhibits and Posters Break-down, or
Thursday June 13	8:00-12:00	Final Exhibits and Posters Break-down
